What is Husky Huddle?

- During face to face instruction, Husky Huddle is our homeroom period. During this time, students work on weekly i-Ready goals as well as participate in character education, literacy and PBIS activities on designated days.
- During remote learning, on Mon, Wed, & Fri, teachers will hold office hours. Students can email or schedule a TEAMS conference with any teacher.
- During remote learning, on Tuesday, students will engage in Social Emotional Learning lessons (Student Success Skills) during a live session with a teacher.
- During remote learning, on Thursday, students can complete weekly iReady assignments in ELA and Math.

What is i-Ready?

- ***i-Ready*** is an online program for reading and math that will help teachers determine your student's needs, personalize their learning, and monitor progress throughout the school year. ***i-Ready* provides students with lessons based on their individual skill level and needs.**
- Students should pass **at least** one i-Ready reading lesson and one i-Ready math lesson per week. Lessons vary in length depending on your child's personalized learning path.
- HR teachers will monitor if each student is meeting his/her weekly goal. Reading and math teachers will monitor the personalized learning path and use i-Ready data to support instruction.
